FA CHARTER STANDARD COMMUNITY CLUB

Dear friends & family of Trevenson F.C

As you are no doubt aware, Trevenson F.C has been undergoing changes recently. One of these changes, has been a committee discussion, and seen part of the continued move forward for the club in its continued development.

This sees the introduction of identities for both coach/committee and the players of the Club.

The coaches/committee have already begun their change, in that they are now to be found/identified by the fact they now wear Red coaching jackets/coats.

The children who train and/or play for the club will now be expected to do so in a new training kit, this will be for training purposes only.

The kit will consist of Black shirt with Red panels, Black shorts, and Black socks.

This kit if purchased outside of the club would cost nearly £50, but is available at £20.00 until 1st September 2009, where the price will be increased to £25.00 per kit with all the funds raised being invested back into the club.

All players/parents can also have a training jacket which is available; this is in the form of a black all weather jacket, giving good protection and is available in all sizes. To buy else where would cost £35 but can be bought for £15 per jacket, sizes 8 – 16, & S – XXL £20 but only until the 1st September 2009 when prices will be increase by another £5.00 per size.

All items above come embroidered with club logo and free of charge.

During the AGM held on the 23rd July 2009, it was proposed & seconded that ALL team members as of the 1st September, will turn up to training in the Club training kit, failure to do so will result in a minimum fine of £0.50, with increments of an additional £0.50 for every time after.

The Club will help ALL players to purchase the kit, by allowing the kit to be purchased with weekly payments, down to a minimum of £2.50 per week.
